

My Faith Journey

...

Lucy Fellman

God moments/sightings

Where I see God the most is at church where we pray to him and hear stories about him. Another moment God is with me is when i'm stressed, angry, or sad about something. When I am like that, I ask for his help and I feel better. Another time is when i'm playing a sport because before a big game, I usually do a little prayer so I can feel less stressed about the game.

Baptism memories

I don't remember my baptism personally but my parents do. It was the summer of 2006 so i wasn't even 1 year old yet. Apparently it was one of the hottest summers Duluth has ever had. They said I cried a lot during the service. I was baptized with one other baby who my parents didn't know. A lot of my family was there from around the country, including Minneapolis, Arizona and other places. My parents said that I wore a white baby gown that a lot of my family has worn in past generations like my grandparents, my dad, and even my siblings. After the baptism, we had a party at our house and it was a good day in the end.

Duluth, Minnesota**

Faith web

My faith web consists of family, friends and other people I know at church. Other people are the Ransoms, Johnons, Sutherlands, and the Lyles. People my age are Ella Brisbois and Arna Renan. The reason these people are part of my faith web are because i've known and seen these people in the church all my life and that's important to me.

Important people

I have a lot of important people in my life like my family and friends. People that are always there for me no matter what and I know I can trust and always rely on them. My sister, Emma, is very important to me. I've always looked up to her no matter what - life, sports, and school. She's always the person I go to for advice. She's in my corner no matter what and she has done so much for me. My parents are also very important to me. They drive me to my sports practices no matter what time or the weather. They've taught me to be a kind, caring, smart person and I can't thank them enough for everything they've done for me.

Favorite service project

My favorite service project was *Hands Across Duluth*. I got to meet a lot of new people who were from Stillwater. We also did a lot too. I remember we went to *Animal Allies* and we fixed some of the pathways for the animals and got to play with some of them. Another thing we did was go to Canal Park to get Coldstone ice cream and then go to the beach. We did a lot of other things too that helped the community and we had fun doing it. I'm glad I got to meet a lot of great people too.

Thank you, St. Paul's!
